

Tax deductible donation for the Global White Lion Protection Trust:

A tax-deductible and legally compliant monetary donation is only possible through our partner Fondation des Fondateurs*.

Donation opportunities:

To secure the future of young lions born in the wild, more protected habitat is needed. Additional protected habitat is needed, including the necessary waterways that flow into the expanded Kruger Park system. Currently, the GWLT is trying to secure a specific area of 3,500 hectares (35 km²), which includes the water sources of the entire ecosystem, as a sacred natural site. A lion pride comprises 5-13 animals and needs an area of at least 10 km² to exist.

Give the lions a piece of land:

The objective is the acquisition of 3'500 hectares (35 km ²)	CHF 15'750'000
100 hectares (1 km ²)	CHF 450'000
10 hectares (100'000m ²)	CHF 45'000
1 hectare (10'000 m ²)	CHF 4'500
½ hectare (5'000m ²)	CHF 2'250
2'000 m ²	CHF 900
1'000 m ²	CHF 450

Help protect the lions from poaching:

for one set of monitoring equipment per lion	CHF 2'000
transmitter collar per lion	CHF 800
For one day of freedom for one of our lions	CHF 82
For one meter of security fence	CHF 25

Where does your donation go:

The FONDATION LASCAUX has chosen the Fondation des Fondateurs*, a trustworthy and efficient partner for the processing, guaranteeing legal compliance. The Fondation des Fondateurs transfers the donations collected in Switzerland directly to the Global White Lion Protection Trust.

How to donate:
